

TRINE STEM CAMPS

MARCH 2024

What Do We Do?

Trine University has partnered with communities and youth-serving organizations across our region and beyond to provide K-12th grade students and families with enhanced STEM-related camps and programs through the support of Lilly Endowment IYPC funding. We aim to provide comprehensive college prep and social development programs through our engaging STEM camps and activities.

3/25 - 3/28 will be our spring break STEM camp (Spring into STEM) for 3rd & 4th graders from Fremont, Angola, & Hamilton.
