Glossary

Return Transcript
Return transcripts show most line items from your Form 1040-series tax return as it was originally filed, including any accompanying forms and schedules. In many cases, a return transcript will meet the requirements of lending institutions offering mortgages.

Account Transcript
Account transcripts show changes you or the IRS made after you filed your original return, such as making estimated tax payments or filing an amended return.

Record of Account Transcript
Record of account transcripts combine the information from return and account transcripts.

Wage & Income Transcript
