Searching Online

Jobs will be posted prior to the start of fall semester. A link to jobs can be found under the “Federal Work Study” webpage on our website in the “Available Jobs” section. Use the contact information listed for the position to reach out to the hiring supervisor.

Reminder

Students will be able to begin work only after being hired and the required paperwork is complete, including presenting original ID’s. Please be sure the ID’s are with the student on campus. Keep in mind students are not assigned to a job but may pursue posted employment opportunities on campus.
