

INCLUDED DAILY

SKATING DEVELOPMENT: Our staff uses the most modern, innovative instructional techniques to improve our players' skating.

SKILL DEVELOPMENT: Each day players will be taken through a progression of skills in stickhandling, passing and shooting. To maximize player movement and development, stations are used during these sessions.

SMALL AREA GAMES: Team play is designed to educate players on concepts, strategies, systems and positioning through game situations. Each day a different concept is discussed, and games will be focused on that concept.

SCRIMMAGE: Players will participate in small area games and a controlled scrimmage with coaches reinforcing the day's teaching.

VIDEO SESSIONS: Each player will see personal video footage of the skating skill of the day and the coach will provide feedback.

CLASSROOM: Coaches lead classroom sessions daily and go over different concepts, strategies, rules, sportsmanship and fun game/activities.

DRYLAND TRAINING: Activities and training vary daily and by age group. Our dryland training is aimed at improving players' athletic ability and to becoming a better hockey player.

GOALIE SPECIFIC: Our camp will have a goaltending coach who will lead goalie-specific movement drills and skills on the ice, and provide feedback throughout the small area games and scrimmages.

DAY CAMP

July 21-25, 2024

THUNDER ICE ARENA

TRINE SUMMER CAMP PHILOSOPHY

Our mission is to provide the finest creative hockey instruction within a disciplined, organized and enjoyable hockey atmosphere. All ice sessions and off-ice activities are geared toward the athlete's development as a player and individual. A player's development is largely determined by the effort and attitude displayed on and off the ice in which this camp emphasizes.

DAY CAMP

July 21 to July 25, 2024

Sunday 2-7 p.m.

Monday - Thursday 8 a.m.-4 p.m.

Boys and girls, ages 6 to 12

(Players will be separated based on age and skill)

Cost: \$450 Player \$350 Goalie

Trine Summer Hockey Day Camp is intended for players that play or plan to play at the house or travel level.

The camp is designed to promote skill development and primary team play concepts. Our focus will be providing a fun competitive atmosphere where many small area games are held to enhance players' development. Teaching rules and scrimmaging is also a key component of this camp.

OFF-ICE ACTIVITIES INCLUDE:

- MTI Center: Basketball, spikeball, bowling and many more sports
- Dryland Training

CAMP HIGHLIGHTS:

- On-ice and off-ice combine testing
- Camp Jersey
- Player/Goalie of the week prizes
- Great Coach-to-player ratio
- Personal Evaluations
